From your chairman

Over the last several years, the financial industry landscape has evolved dramatically. From operations to information technology, lending to marketing, every aspect of the financial industry has seen changes that are driven by shifts and advances in technology. In order to meet these advances head-on, CTECU continues to redesign our technology infrastructure by adding several different channels to best serve our membership.

As we approach 2021, we have several delivery channels available to our membership to be able to provide service that keeps up with your life, your schedule. With MIA (Member Internet Access) we are able to offer Online and Mobile Access that allow access to your accounts to get statements, make transfers, request funds and pay bills. Our Remote Deposit App allows our member to deposit a check from any smart phone with ease. We also have Shared Branching that provides locations near you whether you're at home, traveling on business or vacation to access your CTECU account.

We have just been through our exam period and CTECU remains very strong with a **19.17%** Net Worth to Asset ratio as of August 31, 2020. We are here to be your *first choice for member services locally, globally, for life!* So, spread the word! Your co-workers and family members are eligible to enjoy the same wonderful benefits as you do!

Sincerely,

Michael Beard, Chairman

CERTAIN RESTRICTIONS APPLY: Processing fee of \$25 per skipped loan payment will be assessed. Refer to Skip-A-Payment request form for more details.

ANNUAL NOTICE REGARDING NON-VISA PINLESS DEBIT TRANSACTIONS

You may use your Visa Debit Card to initiate both Visa debit transactions and non-Visa Debit transactions without using a personal identification number (PIN) to authenticate the transactions.

To initiate a Visa debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

To initiate a non-Visa debit transaction, you may enter a PIN at a point-of-sale terminal or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. We have enabled non-Visa debit transaction processing on the Pulse, Co-Op and Cirrus network(s).

The rights and protections applicable only to Visa debit transactions, including additional consumer liability limits and streamlined error resolution procedures, as described in our Electronic Fund Transfers Agreement and Disclosure will not apply to transactions processed through non-Visa networks.

Please contact CTECU at 713-432-0038 with any questions you may have regarding this notice.

UPDATE YOUR MEMBERSHIP INFORMATION

As we all know, life is busy and ever changing thus leaving some of the smaller things that may need maintenance a little neglected. That being said... **When was the last time you updated your account information with CTECU?** Information like: phone numbers, joint owners and beneficiaries are important and should be reviewed annually. Take a moment to contact us at 713-432-0038 to verify that we have your correct information on file.
